HEMP FOR HEALTH

CSE : HFH

PREMIUM CBD PRODUCTS GROWN UNDER THE TUSCAN SUN

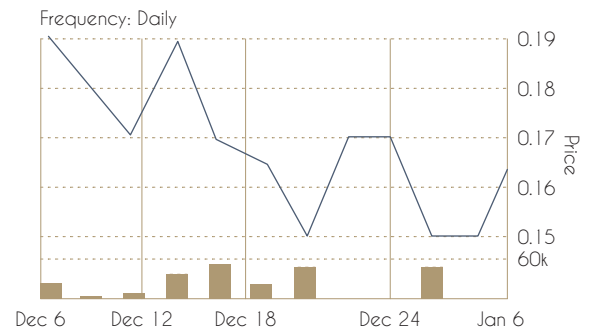

Our mission at Hemp for Health is to produce and provide access to high quality hemp-based CBD products so that people can live better lives. Our focus is on four verticals: genetics, cultivation, extraction and partnerships. Through a vertically integrated process, our CBD products are being produced and processed in Tuscany thus achieving the "Made in Tuscany" label, a globally recognized branding strategy.

SHARE STRUCTURE

Share Structure as at January 6, 2020

Issued and Outstanding	20,062,001
Warrants	7,315,800
Fully Diluted	27,377,801

OUR OPERATIONS

CULTIVATOR

We are currently producing Carmagnola Hemp in Tuscany through exclusive agreements with farmers and the rights to use their land, dryers, equipment and staff.

EXTRACTOR/ MANUFACTURER

Current test products being delivered and sold under three tiers: Tuscan Gold, Tuscan Silver and Tuscan Bronze. We are following EU GMP practices to ensure compliance with future rulings.

DISTRIBUTOR

A focus on e-commerce to sell to retail consumers as well as our potential contracts with various pharmacies in the EU and abroad.

MANAGEMENT AND BOARD OF DIRECTORS

Robert EADIE, CEO

Mr. Eadie has been the catalyst behind several start up companies both public and private. Through his participation of over 20 years in the Capital Markets, he has raised over \$100 million because of his focus on open and transparent communication style and public relations expertise.

Gary ARCA, CFO, CPA

Mr. Arca is an international accounting professional with experience in start ups and company development. He is a Chartered Professional Account and has been a member of the Canadian Institute of Chartered Professional Accountants and British Columbia Institute of Chartered Professional Accountants since 1980.

Emiliano VANNI

Mr. Vanni has been in sales and marketing of precious metals for 20 years and lives in Arezzo, Italy in Tuscany. He is responsible for sales, corporate development, marketing, pricing, and revenue management. He is an excellent communicator and has built good relationships around the local community and businesses.

Gina PALA

Ms. Pala is a principal at AlliedOne Consulting and Interim CIO at the Financial Institutions Commission. Prior to this, she was Senior Vice President, Information Technology at BC Investment Management Corporation until 2017.

SPECIAL ADVISORY

Marialuisa VESSICHELLI, AG

Ms. Vessichelli is an Agronomist and the president of the Farmers Grow-Op in Italy. She specializes in micro irrigation and fertilization.

Cathy CARTER

Ms. Carter is President and CEO of Carter-Culp and Associates which develops and markets consumer goods products to mass merchants and e-commerce platforms internationally.
